Quotations should include lead time for installation, separate prices for any installation charges applicable and monthly rental cost, including and excluding VAT. Offerors may provide quotes for one, two or all three levels of bandwidth.

Only companies specializing in this field should provide a quotation.

Is now compulsory for all companies doing business with the U.S. Government valued over \$30,000 to register on a website called "SAM – System for Award Management" at www.sam.gov. The website compiles standard information such as a company's legal name, street address, contact information, and the type of goods and services it offers. To register in SAM, a DUNS number and an NCAGE code are required. If you do not have these numbers, they must be obtained before registering. There is no cost involved, either for obtaining the numbers, or for registering in SAM. Interested parties are strongly encouraged to register their business as soon as possible to avoid any delay in making an award to the successful bidder.

Interested parties should provide their quotation to GSO Procurement at the following email address: londonproc@state.gov.

Quotations are due on or before 12:00noon on February 26, 2021.
